## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration (DIFP)** assume this proposal decreases the Board of Architects, Land Surveyors and Landscape Architects by one board member. With the decrease of this member, the board will incur decreased personal service and expense and equipment costs.

The board meets face-to-face at a minimum, of four times per year. These meetings are two full days requiring usually three nights lodging due to early start times and late finishing times. The board averages approximately 10 conference calls per year, each lasting one hour in duration. They also send electronically a weekly packet of board materials (consisting of 130 pages on average) to the board members every Friday for their review.
